DR. HOWARD COURTNEY To Speak at Church

Church Official To Speak Here

Howard P. Courtney, D.D., Th. D., vice president of the international Foursquare Church, will be guest speaker at the local church Sunday at 7:30 p.m., according to the Rev. James P. Lowen, pastor.

"Dr. Courtney has an exceptional way of presenting and expounding Gospel truths so that seemingly prosaic passages take on new meanings," the pastor said.

Courtney is also General Field Supervisor of the Foursquare Churches and President of the Pentecostal Fellowship of North America.

The address of the church is 1207 El Prado.

Sunday Sermon Subject Told

"Unbelief" will be the topic of the sermon to be delivered at the 11 a.m. Sunday service of the South Bay Baptist Church by the pastor, the Rev. George F. Cain.

At the 7:30 evening service, the pastor will speak on the subject "Pentecostal Power." Christian Endeavor groups meet at 6:30 p.m.

The Women's Missionary Circles will meet Tuesday evening at 7:30 o'clock. The Millie Kreps Circle will meet in the home of Mrs. William Stewart, 22819 Linda Dr., and the Eileen Bowman Circle will meet in the home of Mrs. Leonard Lane, 8308 Bldewald Rd.

Church Slates Narcotics Film

"The Terrible Truth," a film on narcotics, will be shown Saturday evening at the Foursquare Church, 1207 El Prado, by the Rev. Leslie O. Wheeler, chief chaplain of the Juvenile Crime Prevention Bureau.

The film is a new documentary film taken from the files of the Los Angeles Juvenile Court. It tells of narcotic traffic among youth.

Some of the questions answered by the film are "What is the only solution to the narcotics traffic?" and "Has the Church failed her responsibility?"

True Substance Lesson-Sermon Subject Sunday

The perfection, abundance, and substantiality of all that God has made is discussed in the Lesson-Sermon on "Substance" to be read in all Christian Science churches Sunday.

The Golden Text is from Psalms (135:13): "Thy name, O Lord, endureth for ever; and thy memorial, O Lord, throughout all generations."

A Bible selection from Acts (8:9, 10, 12, 13) records that Simon, the sorcerer, "bewitched the people of Samaria," who said, "This man is the great power of God..." But when they believed Philip preaching the things concerning the kingdom of God, and the name of Jesus Christ, they were baptized, both men and women. Then Simon himself believed also.

Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "The Christian Scientist, understanding scientific principles that all is Mind, commences with mental causation, the truth of being, to destroy the error."

"Any attempt to heal mortals with erring mortal mind, instead of resting on the omnipotence of the divine Mind, must prove abortive." (pp. 423, 459).

Church to Hear Accordion Star

Accordianist Artie Hartman will be the featured guest at the Sunday School and worship hour of the Church of the Nazarene, 1501 W. Carson St., Sunday, it has been announced.

He will play for both departments of the Sunday School, at 9:45 a.m., and at the 11 a.m. worship service. The Church of the Nazarene is presently engaged in an attendance contest with the Sunday Schools of Anaheim and Redlands, and the monthly averages of attendance have been equal thus far, church officials said.

In January, the local church averaged 200 and 182 in February.

Local Driver Unhurt In Sunday Collision

Escaping injuries Sunday when his auto collided with another at Anaheim St. and Alameda was Kenneth Veldeher, 28, of 1724 Andro Ave.

The other driver, Raymond Haley, 38, of Paramount, was treated for cuts and bruises at Wilmington Emergency Hospital.

Recent China Visitor To Tell of Far East

Rev. Paul Sweet, associated with Rev. Bob Hammond in "The Voice of China," will be a special speaker next Tuesday evening, March 16, at the Walteria Assembly of God Church. It was announced yesterday.

Rev. Sweet, who has just returned from Hong Kong, will show slides he made while there and will discuss the Far East situation. The meeting, which will open at 7:30 p.m., is open to the public.

Christian Science Topic On Tuesday Radio Lecture

"Christian Science: A Religion of Demonstrable Prayer" will be the subject of a lecture to be radio-cast over Station KFWB Tuesday evening, March 16, at 8 o'clock. From Thirty-second Church of Christ, Scientist, Los Angeles.

The lecturer, Helen Appleton, C. S., of Boston, Massachusetts, is a member of The Christian Science Board of Lectureship.

YMCA to Use Biltmore Pool

The Hermosa Biltmore Pool will be used for the YMCA "Learn to Swim" campaign April 12 through 16, and arrangements have been made to teach 270 boys to swim, according to Stan Roberts, Y executive secretary.

Boys between the ages of nine and 12 who cannot swim 20 feet may enroll by calling the YMCA, Roberts announced. Torrance Municipal Busses will pick the boys up at six locations—the Walteria, El Nido, and Perry Elementary Schools, the Roberts Rd. Store, 174th St. and Crenshaw Blvd., and the YMCA. Pick-up times will be announced later.

Chapel School Plan Next On Works Agenda

The plan of Assemblyman Charles E. Chapel of Inglewood to obtain a Los Angeles College of Applied Arts and Sciences will be the next order of business when the State Public Works Board meets again this month, according to Capital News Bureau.

The board told Chapel it will take up the proposed college and site for the college when it meets again. The school would permit students to work and study at the same time, benefitting from actual business and manufacturing experience while also studying.

James Silliman, speaker of the Assembly and a member of the Public Works Board, praised Chapel's efforts through the years to obtain the school for the Los Angeles area. He, too, promised that every effort will be made to make the plan a reality.

At present, the public Works Board is considering several sites. Chapel said he believes a site in the general downtown area of Los Angeles would be best suited, but that a site was not as important as the establishment of the school.

Chapel told the Public Works Board that it is his "sincere belief a downtown and central site would be best for this type of school." The board said it hasn't found such a site yet, but that a decision on the school is near.

Speaker Named

A. K. Wagner, special representative from the New York headquarters of Jehovah's Witnesses, will speak at the local hall, 1214 El Prado, at 3 p.m. next Sunday.

Well sort of case into March without reminding you of the 15th, or the weather or anything of that sort.

One little girl who really enjoys March is Janis Luten, 21312 Archibald, because she was born on March 7, eight years ago. This year she had a party and little girl friends came to help her celebrate with games and gifts, and a party cake.

She and her friends had a little redhead make merry were: Jo Dee and Christine Madsen; Becky and Betty Green, Patricia and Kathryn Carey, Linda and Christine Grajvala, Linda Scudder, Libby and Kelsey Barke, Twilla Kulp Douglas and Bruce Chen and little sister Ella Jean Luten. We wish you many more happy birthdays Janis!

We have a wonderful report on the dogs who went to the shows last week in Phoenix and Tucson. Mrs. Aronoff came over to show off her beautiful ribbons and to bring us to date on the winnings of her Afghan hounds. The Duchess of Sinai (Daisy to us) brought home a blue ribbon for "Best of Class" and a coveted "Reserve Winner" for the Phoenix show of March 4. In Tucson she again won a ribbon, "Kuta Raja" the seven-month-old puppy, walked off with two blue ribbons being "First of Class" in both the Phoenix and Tucson shows. "Pranda," the little Chihuahua of the Talboys kennels had won so much that she is still in the show, so I'll have a complete report on her next week. Congratulations to all.

Here's an invitation to all you lady leggers to join a group of other bowlers who are trying to get up a women's Bowling League that will begin about the end of this month. They plan to meet every Friday night at the Hawthorne Bowl, and will get in for the 9 p.m. start. The cost will be approximately \$1.75 a night. For further information call Helen Amos, FAirfax 8-1986, or write to her at 1215 Felber.

Election of officers was held at the last meeting of the "Key-stone Civic Betterment League," and the following people were elected to head the organization for the coming year: Charles Bragg, president; Jim Caldwell, vice-president; Mrs. William Rolter, secretary and treasurer and three people were elected as Board of Directors. They are Lloyd Rowe, Morris Tarling, and Theodore Bredahl.

The Brownie Mothers are just as busy as can be these days. Not only do they have a meeting every week for 18 or so busy little girls but the learners and co-leaders have been attending a school at the Gardena Youth Center for the last six weeks. Those who completed the course this week were: Mesdames Thelma Luten, leader and Bonnie Trenbly, co-leader of Troop 435; Lorraine Stevens, leader and Joyce Bates, co-leader Troop 1732; Agnes Voboril, leader Troop 1742.

The girls of Troop 435 held their meeting yesterday and had a birthday party for all the girls who were born this month. This time they saluted Janis Luten, who was eight Sunday. The brownie troops are sponsored by Carson St. PTA.

Since the Red Cross drive is this month, the children of Carson St. School will be shown a film tomorrow known as a Junior Red Cross film. And on March 16 the fourth and sixth graders are going to the Bank of America in Torrance on a special behind-the-scenes trip. This should be fun in such a pretty new bank. The children, 110 of them, will be going to see the International Flower Show during its week-long show. This is something they just never forget and worthwhile for everyone.

The busy little Cub Scouts of Don-Don-L, Pack 230-C, have a new den mother. Mrs. Davis James Meagher, 21109 Shearers, is going to follow in the footsteps of Mrs. W. C. Wittenburg, who has been den mother for

Machine Company

Gets Tax Aid For Expansions

The Harvey Machine Co. has been granted rapid tax amortization certificates by the Office of Defense Mobilization to expand its facilities. It was announced in Washington this week.

The local aluminum extrusion firm was granted a certificate for \$3,500,000 with 85 per cent allowed for heavy aluminum aircraft extrusions and forgings.

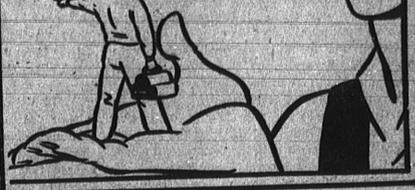

The ODM certificates enable companies to expand their defense production base by shortening the tax amortization rate to five years for an approved portion of the investment of private capital. No government funds are involved.

Ariz., where they had a lovely time combining business with pleasure they say.
